JNTUA College of Engineering
Anantapuramu, INDIA

TRIBUTES TO ABDUL KALAM

You are an inspiring mind and motivating soul

You are a vision of India and captain of service

You are a ray of hope and man of missile

You Pearl of India

Bhushan or Padma Vibhushan

Deserves your simplicity of life and sincerity of work

Purity of mind and clarity of vision.

I salute to your humility when you are walking with great man

I salute to your humanity when are talking with common man

I salute to your gentle smile murmuring in the waves of the East and West

You walk into my life with a lesson of Igniting Mind

To teach me the aim of life is to serve

The purpose of life is to give

and

The beauty of life is the righteousness of Character

Stands eternal in the hearts of students.

DR. R. MANJULA
