THE SHINING STAR

Love! The Gift of God!
The Heaven on the Earth!
Where and How to search?
Being a Female is it Ode?
Oh! No! Everything is worth!
Love is right which we got at birth!
Like Angels' flying squad!

Star! The Shining Star!
I found after going so far!
The shining star on the soldiers
That I found after going so farther
Oh my lovely heavenly father
Thank you for the youth that I found fair!
