Narula Institute of Technology
West Bengal University of Technology
Kolkata. West Bengal **INDIA**

MS. YEKTA ROY

S.Y. B.Tech. Dept. of Applied
Electronics & Instrumentation Engineering
Narula Institute of Technology
West Bengal University of Technology
Kolkata. West Bengal **INDIA**

NEVER GIVE UP!

When life drags you behind with difficulties,
And an infinite darkness covers your mind,
Do not lose your hope, do not shed your precious tears;
Because life is itself all about fighting with the odds and winning the fears!

When life drags you behind with stress,
With all its power to break your confidence,
Be Brave! Wipe out all the sorrows and light a new candle of inspiration;
Detach the curtain of unhappiness and view the world around with a new
imagination.

When life drags you behind with hassles,
And it seems that there is no one beside you for help,

SHARMISTHA BASU MS. YEKTA ROY

1P a g e

Always Remember! There is the Great Almighty who never does injustice with anyone;

As he is our Saviour, Guide, as well as the optimum path finder for everyone.

When life drags you behind with obstacles,

Forget all those wicked situations, forget all those villainous consequences,

Behold! You'll find an Archer far away standing with his bow bent at its ultimate,

So that his arrows can touch the tip of the universe with its rapid rate!

Just like that, you are the Arrow my friend! And;

Your Archer is the Almighty, who is with you always,

And He wants you to touch the zenith

Of Happiness, Prosperity and Success.....

Thus **NEVER GIVE UP, NEVER GIVE UP, NEVER GIVE UP.....**

About the Poets

Ms. Sharmistha Basu is an Assistant Professor in English at Narula Institute of Technology, West Bengal. She has obtained PGCTE from EFLU, Hyderabad and presently pursuing her M.Phil from Savitribai Phule Pune University. She has several publications in different International and National journals. Her main area of interest is designing innovative techniques of English Language Teaching for the benefit of the second language learners of English. She facilitates the engineering students and inspires them to compose articles and poems in English. She guides them in their creative works.

Ms. Yekta Roy is a 2nd Year B.Tech student of Narula Institute of Technology, pursuing her career in Applied Electronics & Instrumentation Engineering. Besides academics she spends much of her time writing Poems and short stories.
